DEFENDERS OF SOIL, AIR, WOODS, WATERS AND WILDLIFE

AUGUST 1, 2016 (ISSUE #319)

Des Moines Ikes Win National Defenders Chapter Achievement Award

During the 2016 IWLA National Convention, held last month in Stevens Point, Wisconsin, the Des Moines Chapter of the Izaak Walton League was honored to be presented with National Defenders Chapter Achievement Award.

To receive the award our chapter met criteria in five of the following six categories: membership, financial contributions, education, conservation, youth involvement, and communications.

This award showcases the depth of the conservation commitment across the Izaak Walton League. Congratulations to all!

15th Annual River Run Garbage Grab

Friday, August 19, 2016 beginning at 8 a.m. from Saylorville to Yellow Banks Park.

The cleanup covers over 25 miles of the Des Moines and Raccoon Rivers. Find out more and volunteer at RiverStewards.org.

A Quote from Aldo Leopold, founder of the science of wildlife management.

"There are some who can live without wild things, and some who cannot. ...Like winds and sunsets, wild things were taken for granted until progress began to do away with them.

Now we face the question whether a still higher 'standard of living' is worth its cost in things natural, wild, and free. For us of the minority, the opportunity to see geese is more important than television, and the chance to find a pasque-flower is a right as inalienable as free speech."

In Memory of Ron Kuntz

We mourn the passing of prominent conservationist and Izaak Walton League member Ronald W. Kuntz on July 8, 2016.

Ron served as a state president of the Izaak Walton League and was a member of Pheasants Forever.

He actively participated in Huntmaster's Club and his life reflected a strong commitment to the Huntmaster motto: "When you hunt and fish put back more than you take."

Ron had many hobbies including a love of cars and music ranging from polka and country western to big band. His passion was the great outdoors. As an avid outdoorsman he enjoyed hunting. He was a field editor for the Iowa Sportsman magazine and a co-host for Sportsman's Notebook on WHO.
