DEFENDERS OF SOIL, AIR, WOODS, WATERS AND WILDLIFE

OCTOBER, 2016 (ISSUE #321)

2016 Iowa Outdoor Expo

We had a great turnout this year with thousands of attendees! Paddling was popular with 724 people trying out canoes, kayaks and standup paddleboards! Plus we made 535 birdfeeders at the Kid's Corner!

A sincere thank you to all the great volunteers whose hard work ensured another successful Expo this year!

In Memorial – Keith W. Gaar, Jr.

Keith Gaar died in Boulder, Colorado on July 11, 2016, and graveside services were held September 24 at the Masonic Cemetery, in Des Moines, IA.

Keith joined the Isaac Walton League as a junior member in 1940 and was a member for 76 years.

Keith had a long involvement in conservation including planting prairie grasses, trees and other wildlife habitat on his own properties and on public ground.

He had great respect for the earth, wildlife and the laws that protect them. We gratefully thank Keith for his service.

This Month's Quote

"A national wildlife restoration program is based on the premise that wildlife is not only worth our efforts to restore it, but that its restoration is absolutely and vitally essential to the welfare of our citizens."

-- Jay Norwood "Ding" Darling, Chief U.S. Biological Survey, in March-April 1935 issue of Bird-Lore
